

TRIM

1. Arrange piece into rows, as diagrammed.
2. Sew into rows, and press rows according to the arrows in the diagram.
3. Sew rows together, pressing according to the arrows in the diagram.
4. Add quilting or decorative stitching to the block as desired.
5. Trim block to 4 3/4", leaving 1/4" from seam points for seam allowance.
6. Place backing square and pieced block RST, and sew around the perimeter, leaving a 2" opening for pin cushion filling.
7. Fill pin cushion with desired filling, and machine or hand sew the opening shut.

## INSTRUCTIONS

## ASSEMBLY DIAGRAM
