

Bouquet of Roses Block

©HELLO *Melly* DESIGNS 2022

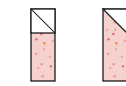

On the wrong side of fabric, mark along the diagonal of C background pieces and P leaf pieces.

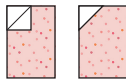

On (8) of the W rose pieces, sew piece C to the top right and piece P on the top left along the marked line. Trim and press.

On (8) of the U rose pieces, sew piece C to the top right, as shown. Trim and press.

On (8) of the V rose pieces, sew piece C to the top left, as shown. Trim and press.

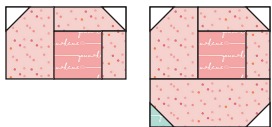

On (8) of the S rose pieces, sew piece T to the right, as shown. Press towards piece T.

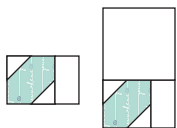

On (8) of the R leaf pieces, sew piece C to the top left and bottom right corners, as shown. Trim and press.

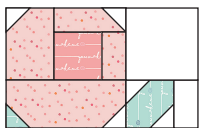

Sew U rose subunit to the top of S rose subunit, as shown. Press towards S.

Sew V rose subunit to the left of the S rose subunit, and press towards V. Then sew W rose subunit to the bottom of S, and press towards W.

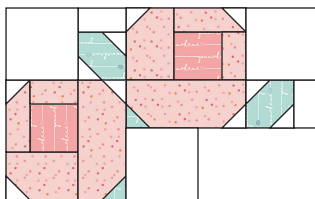

Sew D background to the right of R leaf pieces. Press towards D. Then sew B background to the top of leaf subunit. Press towards B.

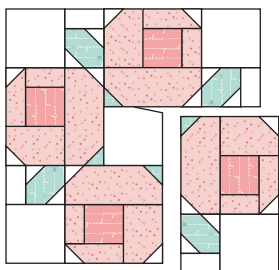

Sew rose unit and leaf unit together, and press seam open.

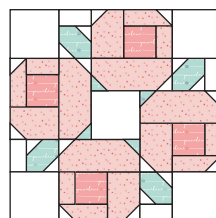

Once all rose units are complete, sew background piece B to bottom left of rose unit using a partial seam- stop sewing halfway through piece B. Press towards B.

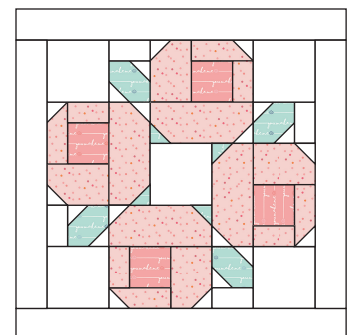

Sew a second rose unit to first rose unit and piece B, using a full seam. Press towards B.

Continue sewing rose units together and along piece B, pressing towards B. After sewing the final rose unit, return to the original partial seam and finish sewing along the length. Press towards piece B.

final seam

Sew J background pieces to sides of block, and press towards J. Sew K background pieces to top and bottom of block, and press towards K.
