

Champs-Élysées Block

©HELLOMellyDESIGNS 2022

On wrong side of (80) BB pieces, mark along the diagonal. On G background pieces, place marked BB pieces on bottom left, and sew $\frac{1}{4}$ " from marked line. Trim excess, and press towards BB. Repeat on bottom right side to create flying geese subunit.

For border, sew background M strips to CC strips in sets of two, along the width. Press towards CC. Then, sub-cut strips to get (32) $12 \frac{1}{2}$ " strips and (48) $1 \frac{1}{2}$ " strips.

Nest seams of $1 \frac{1}{2}$ " strips, and sew together into 4-patch subunits. Press seams open. Sew subunits to either end of (16) of the long $12 \frac{1}{2}$ " strips.

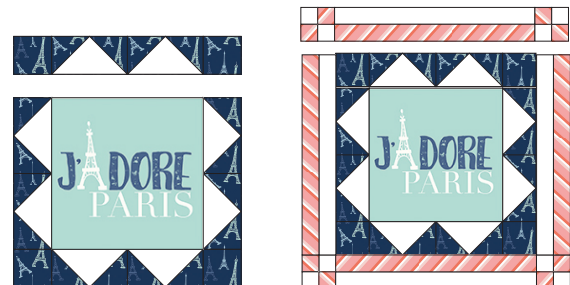

Make subunit sets, sewing flying geese subunits into sets of two and press seam open. Then, on half of the subunits, sew BB pieces to either end, and press towards BB.

FOR PANELED CHAMPS-ÉLYSÉES BLOCKS:

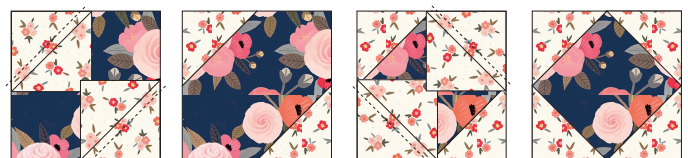

Sew a small flying geese subunit to either side of an 8" x 8" panel design. Press towards Panel. Then sew large flying geese subunits to top and bottom of panel design, and press towards panel.

Sew smaller border subunits to either side of panel center unit, and press towards border. Sew longer border subunits to top and bottom of panel center unit, and press towards borders.

FOR FILLER CHAMPS-ÉLYSÉES BLOCKS:

On wrong side of AA pieces, mark along the diagonal. Sew to bottom right and top left of Z pieces, and sew $\frac{1}{4}$ " from the diagonal. Trim excess, and press towards AA. Repeat on remaining corners of Z pieces.

Repeat block construction steps for paneled blocks.
