

Iron Lady Block

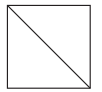

©HELLOmellyDESIGNS 2022

On the wrong side of L background pieces, mark along the diagonal.

With L and Y pieces RST, sew 1/4" on either side of marked line. Trim on marked line, and press blocks towards Y.

On the wrong side of (16) A background pieces, mark along the diagonal.

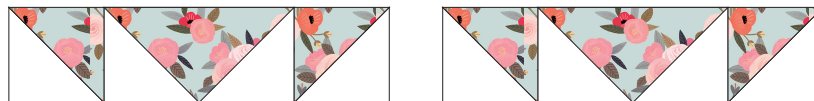

Place A piece to the left of piece X, and sew 1/4" from marked line. Trim excess, and press towards A. Repeat on opposite side of X.

Trim 1/4" around an 8" x 8" panel design. On either side of panel square, sew an X subunit, and press towards center panel piece.

Sew HSTs to both ends of (2) X subunits, and press towards HST units.

Sew X subunits to top and bottom of panel subunit. Press towards panel subunit.
