On the wrong side of fabric, mark along the diagonal of C background pieces and P leaf pieces.

TO MAKE RIGHT-FACING ROSETTE:

On (3) of the W rose pieces, sew piece C to the top right and piece P on the top left along the marked line. Trim and press.

On (3) of the U rose pieces, sew piece C to the top right, as shown. Trim and press.

On (3) of the V rose pieces, sew piece C to the top left, as shown. Trim and press.

On (3) of the S rose pieces, sew piece T to the right, as shown. Press towards piece T.

Sew U rose subunit to the top of S rose subunit, as shown. Press towards S.

Sew V rose subunit to the left of the S rose subunit, and press towards V. Then sew W rose subunit to the bottom of S, and press towards W.

On (12) of the R leaf pieces, sew piece C to the top left and bottom right corners, as shown. Trim and press.

On (3) of the R leaf pieces, sew piece Q to the left of the R leaf piece, with the leaf pointing up and right.

On stem leaf pieces, sew piece background piece I to the left of the Q piece, and press towards Q. Sew background H piece to the right, and press towards H.

On (3) R leaf pieces, sew background piece I on the right, with leaf pieces pointing up and right. Press towards I.

Sew small leaf subunit to the left of the rose subunit, and press towards the rose.

Sew background piece F to the top of the rose subunit. Press towards F. Then sew background piece E to the left of the rose subunit. Press towards E.

Sew large leaf subunit to the bottom of the rose unit. Press seam open.

4-PATCH BLOCK

For 4-patch blocks, sew background piece A to piece DD, and press towards DD. Nest seams, and sew subunits together into a 4-patch block.

Sew right-facing rosette to the left of a 4-patch block, and a left-facing rosette to the right of a 4-patch block. Press towards 4-patch blocks. Sew subunits together in a larger, rosette 4-patch block and press towards left-facing rosette.

TO MAKE LEFT-FACING ROSETTE: Repeat prior steps, making a mirror image of R-facing rosette (R=L, L=R)
